

INDEX TO VOLUME 111

A

- Abdomen, Malaria Simulating Acute Surgical Diseases of the, 436; Penetrating Wounds of the, 775.
- Abdominoperineal Resection of Rectum for Lymphogranuloma, 152.
- Abscess, Brain, Surgical Treatment of, by Exposure and Enucleation, 925; Post-appendiceal, in Rectovesical Pouch, 396.
- Acid Test, Quick's Hippuric, Studies of Liver Function by Means of, 230.
- Acute Appendicitis, 213; Pancreatitis, Diagnosis and Treatment of, 851; Surgical Diseases of the Abdomen, Malaria Simulating, 436.
- Adaptation of the Mikulicz Operation for Right Colon and Rectosigmoid, 80.
- Addison's Disease, Treatment of, by Implantation of Synthetic Hormone, 942.
- Address of President, Southern Surgical Association, 673.
- Adhesions, and Peritonitis, Whole Blood as Means of Preventing, 618; Prevention of Peritoneal, with Heparin, 427.
- Administration of Avertin Anesthesia to Infants and Children, New Catheter for the, 501.
- ADSON, ALFRED W.: Pathologic Classification, with Surgical Consideration, of Intraspinal Tumors, 513.
- Air-Bone Bacteria, Control of, in Operating Rooms and Hospital Wards, 491.
- ALLEN, ARTHUR W.: Surgical Management of Stone in Common Bile Duct, 838.
- Anesthesia, Local Infiltration, Danger in Use of, in Operations Upon Malignant Tumors, 453; Method for Continuous Spinal, 141.
- Aneurysm, Large False, of Right Subclavian Artery Successfully Treated by Modification of Matas Operation, 1046; and Partial Occlusion of the Subclavian Artery, Cervical Rib Causing, 549.
- Angioma of the Arm, Congenital Arteriovenous, 1021.
- Anticus Scalenus, Syndrome, With and Without Cervical Rib, 709; Thrombosis of Third Portion of Subclavian Artery Associated with, 546.
- Aortic-Depressor Nerve Section and Carotid Sinus, Chronic Hypertension Produced by, 102.
- Appendicitis, Acute, 213; Use of Sulfanilamide in Treatment of Peritonitis Associated with, 53.
- Area, Nonendemic, Thyroid Disease in a, 275.

- Arm, Congenital Arteriovenous Angioma of the, 1021.
- Arteriovenous Angioma of the Arm, Congenital, 1021.
- Artery, Right Subclavian, Large False Aneurysm of the, Successfully Treated by Modification of Matas Operation, 1046; Cervical Rib Causing Partial Occlusion and Aneurysm of the, 549.
- ATLAS, LAWRENCE N.: Modified Form of Lumbar Sympathectomy for Denervating Blood Vessels of Leg and Foot, 117.
- Atresia, Total, at the Duodenojejunal Junction, Duodenojejunostomy for Congenital Intrinsic, 583.
- AULT, GARNET W.: Rectal Malformation, 96.
- Autogenous Transplantation of a Fibrosarcoma of the Skin, 285.
- Avertin Anesthesia to Infants and Children, New Catheter for Administration of, 501.
- AYNESWORTH, KENNETH H.: The Cervico-brachial Syndrome, 724.

B

- BACHMAN, ROWLAND W.: Strangulated Meckel's Diverticulum, 150.
- Bacteria, Control of Air-Borne, in Operating Rooms and Hospital Wards, 491.
